Liberty High School scored two quick touchdowns in the second quarter and then added scores in the third and fourth quarters for a 26-8 victory over the Appomattox Raiders last Friday night in a Seminole District football game played at Liberty. The lost left Appomattox 1-2 overall and 1-1 in the district.

Liberty scored with 10:48 left in the half as Jeff Mills went in from 15 yards out to give them a 6-0 lead. Liberty had started on their own 33 and the drive took three plays as Mills got off a 48 yard run on the first play, added four on the second and scored on the third.

This made it 13-0 with 6:33 left in the half as quarterback Marcus Farris threw 26 yards to Bill Johnson for a score and M. Burnette added the extra point. The pass was reflected as by an Appomattox player and fell in Johnson's hand in the end zone.

In the third quarter, Liberty intercepted a Raider pass on the Appomattox 38 and a 19 yard return got it back to the 20. Kin Weston carried for 10 yards and again for 10 more and a score with 6:03 left in the third quarter.

Mills got his second score of the night as he went three yards for a TD with 8:54 left in the game. The extra point by Burnette made it 26-0 for Liberty.

Appomattox got on the scoreboard with 4:12 left in the game as Mac Weaver passed 78 to Mike Galliher for a touchdown and Weaver ran the two point conversion for the Raiders eight point total.

Glenn Doss led the Raiders in rushing with 46 yards, all in the first half as he only run once in the second half, that for no gain.

The Raider defense was led by Dickie Kelso with nine tackles and four assist, and Keith Coleman with eight tackles and three assist. Mike Ramsey, Tim Burnett, David Baxter, James Hunter and Warren Coleman also made a lot of tackles or assisted on them.

Guthrie Stars In Tarheel Freshman Win

It was one of those fratricidal ACC freshman football battles in which North Carolina's Baby Tarheels barely escaped with a 21-20 triumph over the North Carolina State frosh.

The ringleaders for the North Carolina victory however weren't Carolinians. They were Virginians!

William Campbell's Chuck Austin, All-District running back in 1972, picked up 49 yards in 11 carries from his starting tailback position and more important to the Tarheel cause, he scored two touchdowns from

Mills gained 96 yards for Liberty to lead the offense and John Coles, Reggie Day and Ray Hogan sparked the defense.

The Raiders meet Gretna here Friday night.

one and seven yards out.

Appomattox's All-Seminole defensive lineman, Billy Guthrie, swarmed into the Wolfpack backfield to pressure the quarterback and ended the contest with a total of three sacks of the State signal-caller.

Despite being at less than full strength due to a bout with flu, Guthrie made numerous other defensive stops.

Freshman football coach, Charlie Carr, stated he was quite pleased with the team and especially with the performance of both Billy and Chuck. "Both of 'em played a heckuva ballgame". The coach stated further, "Billy's been sick the last couple of days and it was doubtful if he'd start, but he came through for us and held things together in there. Bill has unusual quickness and a nose for football." The coach

Concord Garden Club

The Concord Garden Club met on Monday morning in the home of Mrs. R. E. Davidson. After delectable morning refreshments the president, Dr. Mae Kelly, called the meeting to order and presented a program on Flower Containers, utilizing the entire membership in developing the subject. She exhibited several types of containers that ordinarily would not be used for flowers and discussed how a visit to "junk heaps" and a look into storage rooms and cupboards would disclose many unique and interesting containers with the help of a bit of paint or water.

The speaker called attention to the need for recognizing the relationships between plant material and container with respect to line, form, size, color, texture and expressiveness.

A number of recent books on the above subject were distributed among the members that illustrated the above principles. In addition the president used an arrangement done by the hostess to illustrate further the relationship of plant material and container. Each member participated in the discussion through questions and suggestions. All exhibits by members were discussed with relation to container and plant material.

During the business session the president emphasized the importance of attending the District Meeting to be held in Altavista on October 12, beginning at 9:15 a.m. and Miller & Roads Virginia Woman's Forum at the John Marshall Hotel on Nov. 8 in Richmond.

Blue ribbons were awarded to the following members: Horticulture: Mrs. Ryland Phelps 5; Artistic: Mrs. R. E. Davidson 1, Mrs. Harvey Hite 1.

An Oklahoma study adds meaning to the idea that crossbred pigs survive better than straight bred pigs.

In this study 26 purebred litters of Duroc, Hampshire, or Yorkshire breeds were compared with 59 crossbred litters representing all possible two-way crosses of these three breeds. All sows were purebred. All crossbreds were sired by a purebred boar of another breed.

At 42 days of age, the average number of pigs per litter was 6.1, purebred and 7.4, crossbred. The average litter weight was 144 pounds, purebred and 177 pounds, crossbred.
